

Art & Handcraft 101

For ages 8 to adult

Art: Exploring the mixed-media of watercolor and rubber stamping.

Handcraft: Using the kit of Watercolor Wishes by Stampin' Up, each participant will complete a set of hand-stamped cards and find ways to create more cards with the stamps included in the kit (see samples above). Along with the kit, each student will explore watercoloring techniques as well as a variety of stamping techniques, using the cards as their canvas. Material used are acid-free and the final cards can be sent to a friend or framed as art.
